## A new sheep to the Flock

John and Nelda Bruce of Clare, kindly donated the newest sheep to the flock. John has spent a life-time of working with sheep. He started working at North Bungaree when he was only 13 years old in 1943 until he retired in 1992. He held the position of Stud Manager and worked for Michael Hawker. Pictured are John and Nelda Bruce now retired and living in Clare, and their daughter Heather Jenkins. Artist Ty Manning has made all of the sculptures. The Riesling Trail committee thanks Ty Manning, Ann and Ryves Hawker for initiating the project and of course all the "Sheep Sponsors".

## New Plantings at the Lennon Street Carpark

The Trailhead Carpark was planted in May 2013, this is what it looks like just one year later [28th May 2014], a great credit to the main Caretaker, Peter Wood, Treasurer. Below are the Volunteer Planters planting about 60 new shrubs around the 'Crane', they are Peter and Sarah Wood, Chris Roberts and Sonia Zwiersen.

## Species Signage Posts

Below Left: Allan Mayfield, Chairman placing the species signage at the Trailhead. There are approximately 25 native species planted.

## Olive Removal

Below Right: NRM olive removal program. Users of the Riesling Trail will notice that there are fewer olives than there used to be. This is part of a program to control them completely along the Riesling and Rattler

Trails. If left untouched they will continue to spread and choke out the native bushland.

This project has been funded by a Northern and Yorke NRM Community Grant, through the Clare and Gilbert Valleys Council. The management committee will continue to remove all olives and control any regrowth or seedlings. Fox Tree Lopping has assisted with clearing olive trees from the cuttings.
