The Riesling Trail

Hello Member

and welcome to our Summer E-News | Along the Riesling Trail ...

Visit our website at http://rieslingtrail.com.au/ for up to date information of what's happening on the Riesling Trail and around the Clare Valley.

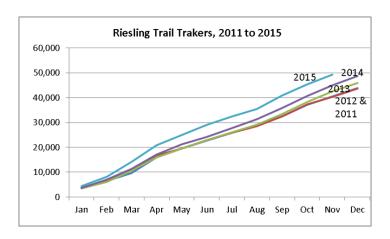

From the Chairman

As this Newsletter goes to print we will have reached 50,000 Traker readings for the first time in any year. These Trakers (at Auburn, Watervale, Clare and at the White Hut Road crossing north of Clare) record movement of people (and possibly very large dogs!). We have these recordings going back for many years and so have a good measure of any change in the number of users. This number continues to increase, up from 44,000 Traker readings 3 years ago. We estimate half of the Trail users are visitors and so the Trail brings a lot of people into the region, bringing economic and other benefits.

This graph shows the number of Trail Traker readings for each month since 2011.

As well as our other national and international awards this year, we have recently been listed in the top 50 international "wine experiences" by the Gourmet Traveller magazine. This increase in Trail users and widespread recognition is a result of the great work by all who support the Riesling Trail, either directly on the Trail or with associated businesses, such as accommodation and meals, wineries, bike hire, etc.

At our recent AGM, there was an inspiring talk by members of the Lavender Federation Trail Committee. This Trail is a remarkable achievement of a small dedicated team. So far they have completed 278km of designated walking trails, starting in 1999 at Murray Bridge and are now north of Eudunda. They plan to cross the Heysen Trail at Webb's gap in April next year and then meet the Riesling trail at Watervale in 2017.

Finally, we welcome Kirsten Kothrade, from Watervale, to our Management Committee for 2016 and thank Ryves Hawker very much for his valuable contribution to the Riesling Trail over many years. **Allan Mayfield, Chairman Management Committee**

The Riesling Trail has again been recognised as one of the top attractions in the world ... <u>click here</u> to see the article published in this month's 'Gourmet Traveller' Magazine.

Sevenhill Hotel named top Pub to eat in SA

Congratulations to Paul Longbottom on a wonderful achievement. The Sevenhill Hotel, a Riesling Trail Business Friend, has been named the No. 1 Pub in South Australia to eat in.

Inside there are fireplaces, cosy leather armchairs and a stone cellar stocked with a huge collection of Clare Valley wines. The pub's beer garden is the perfect place for a glass or two on a sunny day.

The head chef, who goes by the name BJ, has created a menu with traditional pub grub and more.

Expect the likes of a pulled lamb shoulder wrapped in prosciutto and slow cooked pork belly with a potato and garlic dip, crispy kale and apple and pear cider chutney.

Letter to 'The Editor'

Dear Editor

For some years the website of The Wilson Vineyard had a feature on the history of the Riverton to Spalding Railway. I am now considerably reworking the content with a view to producing it in book form, to be released in July 2018, which is the centenary of the opening of the railway to Clare. To give your members some idea if the magnitude of the contents, the present segment that has been made available for your website, which is "The Declining Years of the Clare Railway" is about 5% of the content. The book, to be entitled "The Riesling Railway" will include material (both photographic and text) relevant to The Riesling Trail and the Rattler Trail. Accordingly, I am inviting expressions of interest from your membership, who may be interested in submitting material for the book. Interested persons should contact me wilsonriesling@internode.on.net

Yours sincerely John Wilson
