
The Riesling Trail

Hello Member

and welcome to our Autumn E-News | *Along the Riesling Trail ...*

Visit our website at <http://rieslingtrail.com.au/> for up to date information of what's happening on the Riesling Trail and around the Clare Valley.

From the Chairman

Almost any weather is good for being on the Riesling Trail, but this is especially so in autumn. With cooler weather and great autumn colours the trail and surroundings are very appealing. Even the recent hot weather though didn't deter many people from using the trail – user numbers were higher for January and February this year, compared with previous years. We expect the trail to get much busier in the next few months, including the annual half marathon on Sunday 2 April.

To improve safety for Riesling Trail users we have installed bollards along Station Road in Clare. Although not a barricade, they will deter people from driving their vehicles onto the trail to turn or park there. We especially thank the Clare and Gilbert Valleys Council for locating the underground services and drilling the holes, to John Dickeson who used a jack hammer to dig out the rockier ones and the volunteers who helped put them in so neatly.

The timber bridge, a few hundred metres north of Tatkana Road, has now been replaced with a much stronger steel-framed bridge as part of our annual bridge replacement program, funded by the Office for Recreation, Sport and Racing. This has been done very well by Jason Gill and 'Gilly' and supervised by Trevor Mace. The plan next year is to replace the bridge north of the crossing at Jollys Way (Mintaro Road). These replacements are necessary because the supporting timber beams are getting close to their useful life.

Our next development project on the list in the next few months is a shelter and

bench seat on the western side of the Wakefield River bridge at Auburn.

And finally, I wish to thank Stephanie Toole (from Mount Horrocks Wines) and Jeffery Grosset (from Grosset Wines) for their generous financial help to the Riesling Trail over many years, including contributions to the Wakefield River bridge, the Quarry Road bridge and the shelter to be erected next to the Wakefield River.

Work along the Riesling Trail

Bollards have been installed in Clare opposite Bottling Dynamics to protect the surface of the trail from vehicles travelling along Station Road.

Thank you to the workers – Bill, Trevor, Allan, Gerry, Troy and John. And thank you to the staff from the Clare & Gilbert Valleys who dug the holes... the post-hole digger made the job a lot easier.
